3. Overarching Reform Proposals

3.1 Potential size thresholds for more rigorous legislative requirements

We propose that the following legislative requirements apply to complexes with 10 units and over. The body corporate for complexes between 10 and 29 units, may, however, resolve against adopting any of these requirements by special resolution.

Bodies corporate must:

1

- report on the performance of delegated powers at the annual and any other general meeting;
- contract a body corporate manager to perform functions as specified in the UTA;
- have LTMPs signed by the body corporate chair and a qualified person;
- have a long term maintenance fund to finance the long term maintenance plan already required under the UTA; and
- have body corporate accounts and LTMFs audited annually.

Do you agree? If no, why?

Agree

2

Do you consider that it is appropriate for complexes between 10 and 29 units to be able to opt out of the above proposed legislative requirements by special resolution? If no, why?

Yes

3.2 Improving Government Services to the UTA Sector

3

Please comment on :

- how government agencies might achieve a more joined up approach;
- how we can improve the services we provide; and
- whether you think a separate dedicated entity is warranted; and if yes, what functions and responsibilities would a dedicated unit titles entity deliver? Please list.

Yes

As my property is not governed by the Unit Titles Act I am unfamiliar with many of its rules, therefore I have answered n/a to some questions.

My main concern is that the act does not cover buildings whose properties are covered by a Memorandum of Lease.

I also feel that there should be a limit or at least guideline to what the BC Manager can be compensated – ie: General BC Fees paid for, or rates
