2 - Funding pathway

Budget 2024 social housing

Budget 2024 allocated $140 million for a total of 1,500 new social homes, to be delivered over two financial years (2025/26 and 2026/27) to be operated by community housing providers. Around 500 homes are allocated through the maintaining momentum pathway, and around 1,000 homes are mainly being delivered by strategic partners or through a community-led approach.

Budget 2025 social housing Auckland

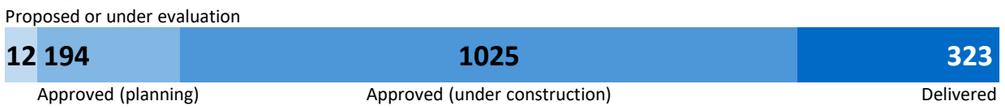

Budget 2025 committed new funds to deliver at least 550 new social homes in Auckland in the 2025/26 financial year. The homes are to be operated by community housing providers (including strategic partners) and be ready for tenanting by November 2026.

Māori housing

Since December 2023, $426 million has been approved (in three tranches) for Māori-led delivery of around 1,000 homes. The new homes are a range of papakāinga housing, affordable rentals and owner-occupied housing.
