Transitional Housing

Transitional housing provides warm, dry and safe short-term accommodation for people in need, along with tailored housing related support while they're there. Transitional housing is managed by providers, who are skilled in supporting tenants with a range of social and tenancy-related services, and are also responsible for maintaining the properties.

The transitional housing programme is led by HUD in collaboration with Kāinga Ora, transitional housing providers, the Ministry of Social Development and the wider housing sector.

People living in transitional housing pay rent of up to 25% of their income, which is in line with income-related rents for public housing. The balance is subsidised to providers by HUD.
